A Message from the Principal

There is a well-known passage in the Book of Isaiah. "They shall mount with wings as an eagle; they shall run and not be weary; they shall walk and not faint."

In an English class of today, a student is likely to point this out as an anti-climax. He might point out that it would be a more suitable and more dramatic construction if the prophet had said, "They shall walk, they shall run; yea, they shall mount as with an eagle's wings."

After watching the careers of High School graduates for many years I can come to the conclusion that there is no anti-climax in these ancient and noble words.

To do the spectacular thing, to mount momentarily and come to earth again is by no means the hardest thing in the world to do. The world, moreover, is full of hundred-yard sprinters—those who flash before our eyes on the run and are never seen again.

But the man or woman who can do each day's work as it comes, never faltering, week after week or year after year, is performing the most gruelling task of all. To him should go the laurel and the crown.

The finest trait of character which a graduate can acquire is the ability to "walk and not faint".

THE STUDENT COUNCIL

The class and club representatives which make up the Student Council, hold a very prominent position in governing our school, and its various activities. However; this school year has provided neither enough co-operation, enthusiasm, nor responsibility on the part of these representatives. I feel that they are not lacking in the quality of leadership, which is expected of them in this position, but that they have refrained from expressing it fully.

Nancy Matheson.

Note: This should not; however be a reflection on this year's executive which has truly tried to promote both school spirit and interest in the various projects. Very little can be accomplished without the whole-hearted support of every representative and student.

PREFECTS

Seating: Carol Balfour, Boris Herniak.

Skozian, Alison Hebert, Elaine Scott.

PREFECTS

One of the busiest groups in the school is the staff of twenty Prefects. Among their duties is the supervision of sock-hops, ushering of evening events and the collection of attendance slips.

Prefects, being senior students, are encouraged to set a good example for other students, to support and spread school spirit, and to assist other students and teachers. They are available to fulfill any of our principal's requests.

Our Prefects, under Mr. Warwick have been complimented on their efficiency.

To those this yearbook is dedicated.

DRIVER EDUCATION

Of all the elements in the traffic environment, the driver is the most flexible. Through education, his driving attitudes and habits can be conditioned in the interest of our society.

Driver education offers our students one of their greatest opportunities for on-the-job experience in citizenship, with the personal and social responsibilities that citizenship implies. By producing trained and responsible drivers, it also conserves human and material resources through accident reduction.

The best place for our young people to learn to be acceptable members of our traffic society is in our schools. Driver education contributes significantly to these basic purposes:

- (1) It fosters a strong sense of personal responsibility for the common welfare.
- (2) It nurtures effective habits of cooperation in solving common problems.
- (3) It develops pride in high standards of performance and conduct.
- (4) It promotes safe and rewarding use of automobiles.

LIBRARY

The library has a very busy staff, as you all know. The girls' tasks are many and varied; new books are processed, old books are repaired, and released for the circulation which is maintained from day to day. Money from overdue books has been used in the past to treat librarians to such events as the ballet. A great deal of time and work is required to keep our library operating efficiently.

THE HERMAN POSTER CLUB

In 1961, the guidance of the Poster Club was assigned to Mr. Bice, who, in 1963, extended the scope of the club to include girls' activities, as well as soccer, volleyball and basketball.

At the present time, there are twenty-four members, three-quarters of whom are very faithful, reliable, prompt poster artists.

Each poster which has been satisfactorily executed is worth one point. Ten posters provides the artist with one important point towards the H crest.

The Herman Poster Club, although in existence for six years, has played (and will continue to play) an important function in the advertisement of the many school activities in the future.

CAMERA CLUB

This year, as in other years, the Camera Club's first project has been to instruct the new members in photographic technique and darkroom skills.

Our usual September deficit was taken care of with the proceeds from Prom pictures which were taken in February.

Those who were most active in preparing pictures for this yearbook, our biggest project, were Barry Schiele, Hans Zaborek, and Ed Cave who is also President this year.

TICKET SELLERS

This group consisting of 15 students, under the leadership of Mr. Gallie, tries to encourage school spirit, through the promotion of ticket sales.

SOCIAL COMMITTEE

The Social Committee has been kept busy. They set up and decorated the Christmas tree which stood at the main entrance of the school.

The Christmas assembly was successful. Santa Claus (John Sargent) presented gifts to some of the students. Averil Holton received curlers for her famous golden locks, Gary Colter was presented black shoe polish for future toboggan parties (so they can find him), Joanne Klapowich was given a saw. Next time she won't have to call the plumber in order to get her feet out from under a desk. Lastly, Greg Hicks received hedge clippers to keep his sideburns trimmed.

The Social Committee would like to thank Mr. Aitken for his long hours spent in preparation for the Prom. We would also like to thank Bob Yovanovich for his work as President of the Committee.

SEWING CLUB

At the beginning of this year, a group of industrious Herman Collegiate girls in grades 10 through 12 got together, and under the direction of Mrs. Day, the clothing and textiles teacher of Herman Collegiate, formed a Sewing Club to be held on Wednesday evening after school.

After a few meetings, to get acquainted, we voted on an executive for our club. We decided to have as president, Linda Grondin of 10-H. As secretary we chose Carol Lynn Westlake, also from 10-H. To arrange our excursions and social gatherings, we selected Allannah Brockman of 10-F.

One of our chief projects was to make a number of vests in which we inserted weights for one of our athletic teams.

On one of our excursions at the first of the year we visited Detroit's many stores and learned where to buy the best material for the fairest price.

On December 14, to celebrate the Christmas season, and the closing of school for vacation, we had a party at the home of Mr. and Mrs. Day. Although there was a lack of boys we had a very enjoyable time.

Our plans for the rest of the year are to visit a drapery factory and examine some expensive jewelry at one of Windsor's most prominent stores.

We have enjoyed our year in the Sewing Club, and we hope that next year we will have an even larger turnout so it will be just that much more enjoyable.

Carol Lynn Westlake.

THE CHEERLEADERS

The cheerleaders had a very successful year as cheerleaders and artists. The squad received many compliments despite the fact that four seniors and six juniors had never cheered before. Under senior captain Judy Stoddard and co-captain Pearl Costea the squad became a poster club, using butcher paper, wall paper, and anything else available. Our artistic efforts resulted in a terrific turnout for the car parade before the Assumption-Herman semi-final football game. There was also a rumour that a couple of seniors were ringleaders in the Assumption goal post painting affair!!

It was a good year for almost all our teams. Even though we didn't win all the championships the teams played their hardest and the supporters (many or few) cheered their loudest. I know the new squad members will keep on doing a good job cheering our teams on to victory.

In closing, the squad would like to extend thanks to Mr. Bice who donated paint and brushes, to the student council who bought crests and paper for us, to the combo who helped raise school spirit at games, to Mrs. Geddes who gave us so much help and finally to all our yelling supporters who helped make the 1963-64 season a great success.

Judy Stoddard.

MAJORETTES

Half-time entertainment was provided at several football games this fall by a group of Herman majorettes. Their precision marching, colourful uniforms and excellent routines were a welcome addition to school spirit.

PUBLIC SPEAKING

Public speaking is a person presenting himself in front of the public and speaking on anything he or she wishes.

The winners of the 4 departments of Herman Collegiate Public Speaking Contest were:

- Junior girls — Cathy Waffle.
- Senior girls — Sandra Hawkins.
- Junior boys — Chris Stefanovich.
- Senior boys — Dan Bobb.

All the contestants should be highly commended for putting so much time and effort into their speeches.

U.N. VISIT

This year Carol Balfour of 12A was chosen to represent Herman on a trip to the United Nations in New York. She received a cheque of \$100 to cover expenses, from the Board of Education. Carol was one of a group of 8 girls of different Windsor high schools. The group spent most of their time at the U.N. but was given time to tour New York. The girls found the trip to be very valuable.

THE UNITED NATIONS CLUB

This year, there are fifteen to twenty active members in the U.N. Club. Mr. Mahon is the staff advisor, and Carol Balfour of 12A is president. The club's main purpose is to develop a better understanding of the United Nations, its functions, and its problems, through informal discussion. The club debated the issues which would be discussed by the Model United Nations, at the University of Detroit, in April. A delegation of five club members will represent Australia. This year the club sold approximately \$180 worth of UNICEF Cards.

FOURTH ANNUAL FASHION SHOW

Herman Collegiate's fashion show this year, titled the "Fashions for Spring", was held on Friday, April 10, at eight p.m. in the school gymnasium. This year as in the past, the fashion show was managed under the distinctive supervision of Mrs. Day, of the Home Economic Department at Herman Collegiate Institute. This year's fashions featured the A-line jumpers, created for Spring skirts and blouses, and other garments suitable for the oncoming season.

Out of two hundred and fifty eligible girls, ninety were chosen to display their creative talents. In future years we hope that the fashion shows will be as successful as this year's one was.

THE CHESS CLUB

This year was quite an eventful year concerning the W. F. Herman Chess Club. During our first meeting we elected John Girard as our President. Mr. Gallie is our staff advisor.

We began the year by setting up a continuous chess tournament. This tournament keeps all of us answering and issuing challenges. If you are a chess player who has mastered a few tricks of the trade, you will be able to climb the pyramid of chess players and stay at the summit.

In January, we began a series of chess tournaments with Windsor schools. In the first tournaments against Walkerville our top eight players lost 4½ to 3½.

If you would like to try your hand at chess, just drop in at Room #257. There you will learn to play the game of kings.

Chris Stefanovich.

PROM

Early in January, the Social Committee began preparations for the Prom. It was held on Saturday, February 15, and was called "Cupid's Caper". The Bill Richardson Orchestra provided the music.

The girls nominated for queen were Mary McGavin, Bev Ellwood, Janet McKaig, Pat Hoffard, Heather Hebert, Colleen Kenney, Sandra Kurry, and Nancy Farrar. Pat Hoffard, escorted by John Zdrahal, was crowned "Queen of Hearts".

YOUTH PAGE REPORTERS

Three senior and three junior students have made up a "team" of school reporters. All year they have been busy with "Experiment number wonderful," under the direction of Miss Nykor.

Purpose: To conjure up news for the fabulous Youth Page of the Windsor Daily Star.

Apparatus: The Student body and staff of Herman Collegiate.

Method: 1) To the concentrated cries of Hermanites prick up six pairs of ears, the ears of:

Cynthia Lee - Jane Stetson

Judy Stoddard - Mac Stoddard

Liz Sebestyen - Peggy Aitchison

2) Record all reactions heard and seen.

3) If necessary add a suitable catalyst to speed up the reaction.

Observations: 1) A vigorous reaction usually, but sometimes no reaction.

2) Results were varied from humorous to serious, from ridiculous to nonchalant.

Conclusion: 1) Herman Collegiate is gradually developing culturally, academically and athletically.

2) The Youth Page depends on YOU!

Cynthia Lee.

THE DRAMA CLUB

This year at Herman the Drama Club was again under the direction of Miss Kelly. The production, "You Can't Take It With You", a comedy by Moss Hart and George Kaufman, was presented on December 11, 1963 in the gymnasium.

Jo-Ann Klapowich and Sylvia Runft shared the romantic lead as Alice Sycamore and Marcel Dugal supplying the male lead as Tony Kirby. Karina Nyholm and Dennis Dupuis as the elder Sycamores and Janice Boomer and Andy Precop as the Kirbys were the parents.

Cathy Waffle and Dan Dickie played Reba and Donald, servants in the Sycamore house. Averil Holton as Essie Sycamore Carmichael and George Switzer as Ed Carmichael were an off-beat married couple in the mad Sycamore household. Still another member of the zany group was Mr. De-Pinna (Ron Klapowich). No one ever could account for his presence but he was an invaluable character. Lastly as the head of the tribe, Grandpa, whose sole interest lay in fireworks and graduation speeches. Willis Lounsbury aptly played the part.

Danny Bobb gave his interpretation of Boris Kolenkov, Essie's ballet teacher, and Vicky Kobel-

ski played a not-so-grand Duchess with a genuine Russian accent. Important characters in the plot development were Lionel Leroux as a disguised tax-collector and the G-men (John Iatzko, Terry Ghapell, and Lloyd Symington).

Although the cast unanimously felt that their real talent lay in "mass confusion", with the help of a level-headed Miss Kelly, hard working stage-hands, and a sympathetic audience, the play was a success.

Averil Holton.

SENIOR MATH CLUB

Eager students + a helpful teacher + industry
= mathematical results.

That might be an appropriate equation for the aim of this year's Senior Math Club. Senior students met once a week with Miss Tunks to work over previous math papers in preparation for the annual Mathematics Association Contest. This year the contest occurred right in the midst of our March examinations but that did not daunt the spirits of some 25 students who tackled the problems. For the past two years Herman Collegiate has ranked among the top 10% of all the schools in Ontario, Quebec and northern United States who have participated in this annual competition. Therefore, we are hoping that we will have again retained this honour for Herman.

Leslie Greason.

GRADE ELEVEN MATH CLUB

The Grade 11 Mathematics Club is composed of a small group of pupils who have a keen interest in mathematics and who wish to learn more about the subject than can be accomplished in the daily lesson. To be a member of the club, one does not need to be a top pupil but one who is attracted through an intellectual curiosity in mathematics. Under the direction of Mr. McCullough, the members have not been let down.

Howard Holmes.

GRADE TEN MATH CLUB

The Grade 10 Math Club accomplished much, despite its spasmodic nature. An analogue computer was entered in the Science Fair and the University of Waterloo Math Contest was entered by most members. Such mathematical gems as different base number systems, synthetic division, modern algebra and quadratic theory were investigated. A field trip to the University of Windsor computer room was also made.

SWIM TEAM

Both the junior boys' and girls' swimming teams were victorious at the W.S.S.A. swimming meet, held at the Herman pool on February 26, 1964. Both teams finished with the junior championships of the city. Nora Halliwell and Liz Mitchell shared the junior individual girl's championship and John McDonald, alone, received the junior boys' individual. Nora came in first in the junior butterfly and freestyle, and Liz came in first in the backstroke and breaststroke and also broke the record for junior breaststroke. John broke the record in the junior boys' one hundred yard freestyle.

The two senior teams were not as fortunate as the juniors. The senior boys ended up in third place and the senior girls in fourth place.

Diving — Don Scherb and Tom McFarlane both received seconds in the senior and junior diving competitions respectively. Jill Popkey placed second in the junior girls' diving.

Style — Barb Farough gracefully took a first in the junior style, and Mary Lever and Pat McMillan shared second place in senior style.

Much effort was put forth by all the members of both senior and junior teams. The two coaches, Miss Russell and Mr. Buckley deserve a lot of credit for their help and encouragement throughout the hard practices and the meet itself.

Maureen Dowdell.

BOYS' TRACK

Last year's senior track team did very well, but our intermediate and junior teams were not as successful. The senior team lost in its fight for the W.S.S.A. championship, but won the S.W.O.S.S.A. team title. Congratulations go to Mike Mailloux, who, in running the 100 yard dash in 9.9 seconds, became the only Windsor athlete ever to do so.

There weren't any particular standouts in the intermediate ranks, but our junior team, led by Doug Ryan, with his hard work and diligent training, broke the record in the 880 and mile events.

All members of last year's track team would like to thank the coaches, Mr. Valentine, Mr. Oksanen, Mr. Janisse and Mr. Greenway, for the good job they did in coaching us.

Glenn Dixon.

G.A.A.

The G.A.A., the Girls' Athletic Association of Herman thrives to promote interform activities for all girls throughout the school. It meets regularly to discuss ways to improve the participation in these activities. Each class is represented by a student chosen by her classmates. The G.A.A. Representatives are responsible to encourage their class to take part in the activities provided for them by the G.A.A.

This year our G.A.A. sold school ribbons to raise money to buy new sweat suits for the girls' track team. Ways for making a stronger and better G.A.A. for Herman in the future have been discussed.

GIRLS' INTERFORM

The interform basketball schedule this year was very efficiently managed by Doris Wilson. A new system was introduced whereby two tournaments were played and the two victors met for the championship.

The interform volleyball championship was won by 9L this year. The schedule was well managed by Darlene Delisle and efficiently supervised by Mrs. Webster and Miss Davis.

BADMINTON CLUB

The Herman Collegiate Badminton Club with Mrs. MacEwan as supervisor and instructor has an enthusiastic membership which turns out twice weekly to practise in the gym.

The Badminton Team has been chosen by Mrs. MacEwan, after the recent series of exhibition tournaments. Herman Collegiate will be represented at the W.S.S.A., W.O.S.S.A. and all city tournaments. A party is planned for the latter part of this term.

GYMNASTIC TEAM

Tom Charrick and Fred Childs, the leaders of the gymnastic team have led us through their routine during half-time at basketball games. Now, they are busily preparing for the Cadet Inspection. To Mr. Heward, our thanks for sponsoring the gymnastic team.

RED CROSS SWIMMING

The Red Cross Swimming Programme, attracting one of the largest groups of enthusiastic swimmers in the history of Herman C. I., was most successful. Indeed, so great was the "turn-out" that half-hour swimming shifts had to be used to accommodate them all. Even several boys showed up for the twice-weekly rigorous courses instructed by Don Scherb. But the hard work paid dividends as all candidates in the Junior, Intermediate and Senior divisions of the programme won success at the examinations. For many of those who wish to continue, Spring classes will commence shortly after the Easter Holidays.

ROYAL LIFE SAVING

Herman's pool was a centre of activity in the Fall of '63, when the Bronze Medallion classes were held. The course which consisted of lengths, in water rescues, and extensive theory was covered in six weeks with two classes in the pool and one of theory each week. Many registered for these lessons but the number dwindled as the course became harder. Those who passed the test near the beginning of November became qualified lifeguards. They were: Mary Lever, Laird Crabbe, Alan Grimwood, Peter Grimwood, Bill Colvin and John MacDonald. Holders of the Bronze Medallion passed the next test which is the Bronze Bar. The instructors were: Averil Holton, Nancy Matheson, and Marilyn Farough.

GOLF

This year's Golf Team made a brilliant showing as they climbed to a second place berth in the Windsor Secondary School's Golf Tournament held at Lakewood Golf and Country Club. The team members came through with excellent scores: Bill Hunter 78, Tom Flatley 79, Tom Hartlieb 79, Lorne Rowe 81.

The success of this year's team was found in its teacher in charge, Mr. Gallie. Mr. Gallie anxiously followed his team to a repeat second place berth in the W.S.S.A. competition held at Lakewood Golf Club.

The individual winner of the Golf Tournament played within the school, with a convincing score of 77, was Tom Flatley. This is the second year in succession that the school award for Golf has gone to Tom Flatley.

Mr. Gallie has stated that the enthusiasm shown by the lower grades will undoubtedly produce a stronger Golf Team in Herman Collegiate in the many years to come.

Tom Flatley.

SOCCER

The soccer team, under Mr. Montague's guidance, was hindered mainly by inexperience with only four regulars back from last year.

Nevertheless, Herman completed the season with a record of 3 wins and 5 losses.

For their outstanding efforts on the forward line, thanks go to George Zan, Barry Marcotte, Larry Hahn and Pete Grimwood.

The hard working defense was composed of Steve Zan, Joe Perz, Bob Yovanovich, Harry Borysowich, Dino Mossom, Wayne Swann, and Wayne Coughlin in goal.

Dennis Stoneman, Brian Trudell and Bill Karchuk, all provided the needed bench strength.

Joe Wojtowicz.

TENNIS

The tennis club is one of the largest and most active organizations in the school. This year the club consisted of about 70 tennis enthusiasts. In our school tournament Pat Wilson won the girls' singles and Richard Basinski was the winner in the boys' division. Our school team successfully defended their top honours in the W. S. S. A. tournament by winning four out of five events for the second consecutive year. Congratulations go to Pat Wilson and Richard Basinski for their victories in girls' and boys' singles, Linda Laing and Joe Wojtowicz who combined to win mixed doubles and the Walesiak sisters, Ruth and Linda who captured the girls' double crown. Although we are losing our popular coach Mr. Veres to arch rival Kennedy Collegiate we look forward to another successful year.

CROSS COUNTRY, 1963

Despite a late start and few runners, the Herman Harriers won the S.W.O.S.S.A. Junior title and second place intermediate honours at Blenheim, October 26. Earlier competition showed losses in dual meets to Riverside and Walkerville, and a second place finish in the "B" race at the Windsor Meet. The team hopes to host their own meet at Herman in 1964 and attract more competitors.

FOOTBALL TEAM

The record books show that this has been the best year in Herman's football history. The Griffs got off to a slow start, winning but one of their first three games. However, they finished their schedule in sensational fashion — with three consecutive "shut-out" victories. In fact, the defensive unit was unscored upon in its final four appearances. However, a blocked punt in the semi-final playoff game (which Assumption converted into a score), cost the Griffs the championship, 7-0. The other scores were as follows:

Herman 15 - Patterson 6.

Herman 0 - Kennedy 33.

Herman 0 - Assumption 26.

Herman 14 - Forster 0.

Herman 13 - Lowe 0.

Herman 14 - Corpus Christi 0.

Four Herman boys — Andy Parichi, Gary Newton, Bob Weber and Barry Halliwell — were selected to be the "All-City" team. Other "stand-outs" were—Dennis Williams, Peter Saasto, Acky Laporte, Greg Gooding, Bill Bevington, Pat Leblanc, Mark Maki, John Robinson, Roy Lucier, Barrie Warnock, Boris Hirniak, Alex Menzies, Rick Bauer, Dennis Manning and Dave Crockett, as well as defensive specialist Dan Nix. Other team members who gave worthy service were: George McCaulley, Len LaMarre, Richard Willmott, Gord Malvern, Chris Reeves, Bill Crowder, Larry Aldea and Paul Scarpelli. Don Parker, although injured early in the year, contributed yeoman service while active. The team managers were Harry Lumley, Lanny Ronson and Tom Carrick.

The coaches, Mr. Janisse and Mr. Valentine were very proud of the outstanding display of courage and discipline displayed by the boys during their uphill battle to make the play-offs and they hope that next season will prove even more successful.

VOLLEYBALL

During the regular season the Senior Girls won 7 out of 7 games. Although they lost the first game of the final match, they went back to win the next two games, along with the W.S.S.A. championship. Then, they went on to win the S.W.O.S.S.A. championship by defeating Kennedy, Leamington, and Chatham in a round-robin series. These titles might never have been won if it had not been for the coaching of Miss Davis.

JUNIOR GIRLS' VOLLEYBALL

The junior volleyball team made quite a showing this year, under Miss Russell's excellent coaching. Four out of six games found them victorious, during which their enthusiasm was their outstanding trait. They progressed as far as the W. S. S. A. semi-finals, where Kennedy defeated them.

Watch out for us next year, Kennedy!

JUNIOR GIRLS' BASKETBALL

Junior girls' basketball, coached by Mrs. Brown, played a relatively short season this year. Due to the early Easter vacation, only a few games were able to be played. Exhibition games were staged with Forster, Riverside, and Harry E. Guppy High School of Commerce. It is hoped that next year the number of games can be increased.

Peggy Aitchison.

FRESHMAN BASKETBALL

This year's freshman team consisted of eleven stalwart members and one coach who were unafraid to practise early winter mornings. Despite the spartan training the team was winless. However, steady improvement indicates that future junior and senior Griffins are on the way up.

SENIOR BOYS' BASKETBALL TEAM

This year the senior boys' basketball team was successful. They won all but two games during the season, thus making the finals. However, the team was defeated by Assumption in the W.S.S.A. finals, and was again defeated by Assumption in the S.W.O.S.S.A. finals. Also during the season, the team won the consolation flight at the Assumption Invitational Tournament. However, they were fortunate in being able to go to London.

JUNIOR BOYS' BASKETBALL

The Junior Boys' Basketball team this year lacked experience and height. Attempting to make this up with hustle and aggressiveness we had a disappointing season from a win-loss viewpoint. But considering that we had an opportunity to play organized basketball and represent our school made our season successful. We opened the season with a win over Lowe Tech which was followed by a victory over highly regarded Assumption which accounts for our only wins in eight contests. Scoring throughout the season was paced by co-captain Larry Raymond who averaged about twelve points per game. We would all like to express our thanks to our coach, Mr. Valentine for the fine work he has done with our junior team this year.

P. Skov.

HOCKEY

Although we started late in the season, this year's hockey team made a creditable showing in its first game by defeating Corpus Christi 2-1. Herman lost its next game to Assumption scoring 4-2; but came back to defeat Riverside 6-1, in an exhibition game, and then beating Assumption 4-2. Presently, Herman is playing Assumption in the best-of-three games to decide the champion of the W.S.S.A. Hockey League. Credit should be given to the following boys who played on this year's team: Harry Lumley (A), Van Parent, Gene Hansen, Bob Weber, Greg Bublick (A), Tom Flatley, Fred Newman, Gary Kriza, Ron Boyd, Roger Murphy, Keith Malvern (Capt.), Dave Mayhead, Ron Rivard, Stan Thompson, Tony Rejsgil, Acky Laporte, Ron Klapowich and team trainer Don Howe. Our thanks should also be given to Mr. Sisco who was the coach of this year's team and without whose help we would not have developed into such fine form.

Bob Weber.

SWIM TEAM

Both the junior boys' and girls' swimming teams were victorious at the W.S.S.A. swimming meet, held at the Herman pool on February 26, 1964. Both teams finished with the junior championships of the city. Nora Halliwell and Liz Mitchell shared the junior individual girl's championship and John McDonald, alone, received the junior boys' individual. Nora came in first in the junior butterfly and freestyle, and Liz came in first in the backstroke and breaststroke and also broke the record for junior breaststroke.
